

2026 SAFEGUARDING AUDIT REPORT

NGB NAME:	USA Artistic Swimming
CITY/STATE:	Arvada, Colorado
EVENT DATE:	March 6, 2026

BACKGROUND AND AUDIT PURPOSE

The U.S. Center for SafeSport (the Center) is working to build a sport community in which everyone can work and learn together in an atmosphere free of emotional, physical, and sexual abuse and misconduct. Federal law 36 U.S.C. §220541 authorizes the Center to develop and enforce abuse prevention policies and procedures that the U.S. Olympic & Paralympic Committee (USOPC) and its National Governing Bodies (NGBs) must implement.

In accordance with that law, the Center has been granted authority to annually complete regular and random audits of NGBs and the USOPC. The Center objectively evaluates adherence and level of compliance to the requirements set forth in the SafeSport Code and the Minor Athlete Abuse Prevention.

AUDIT SCOPE AND METHODOLOGY

This 2026 audit is based on Event Audit Standards articulated in the U.S. Center for SafeSport Audit and Compliance Manual. During the audit, the Center reviewed policies and procedures, evaluated processes, administered implementation fidelity testing, conducted on-site inspections and interviewed individuals at the event site.

COMPLIANCE SCORING GUIDE

As part of the auditing procedures administered by the U.S. Center for SafeSport, each Organization will be evaluated and assigned a rating for every applicable audit standard. These ratings reflect the extent to which the Organization has implemented and adhered to the tenets outlined in each standard. The compliance score categories are as follows:

COMPLIANCE SCORE	DEFINITION
Compliant	The organization has successfully met the requirements of the audit standard, resulting in a meaningful reduction in risk to sport environments.
Needs Improvement	While some elements of the standard have been met, there are gaps in implementation or consistency by the Organization. These gaps reduce the overall effectiveness of the Organization's safety efforts and indicate a moderate level of risk within the sport environment.
Deficient	The Organization has failed to meet critical components of the audit standard, resulting in a heightened and unacceptable level of risk within the sport environment.

**To learn more about the above definitions, please refer to the Audit & Compliance Manual, Pg. 14-15.*

EXECUTIVE SUMMARY

SUMMARY OF FINDINGS

The U.S. Center for SafeSport’s Audit Team carried out a Safeguarding Audit of USA Artistic Swimming to evaluate adherence to the Center’s 2026 audit standards. This audit examined compliance and risk management protocols across four areas: Education and Training, Communication and Athlete Safety Awareness, Program Management and Governance, and Response and Resolution Systems.

Overall, the Center’s Audit Team concluded that USA Artistic Swimming was compliant with 79% of the applicable standards, and 21% scored as needs improvement.

A strength of USA Artistic Swimming is the Organization’s proactive approach to publishing all Center required policies on its website, a strategy that prioritizes accessibility for all Participants and demonstrates a firm commitment to transparency and athlete safety. However, USA Artistic Swimming must improve its efforts to ensure that its board and staff complete SafeSport training on a consistent annual basis. USA Artistic Swimming has received repeated findings surrounding this requirement from previous years.

Detailed audit results, findings, and required corrective actions are provided below.

Event organizers should be properly instructed on how to access the USA Artistic Swimming Suspension & Temporary Suspension List and CDD, as this is a practice they should be doing regardless of whether USA Artistic Swimming currently has any individuals on their Suspension & Temporary Suspension List.

Additionally, USA Artistic Swimming's "Registration/Check-in Protocol" document includes all steps the event organizer and Organization must take to ensure that all Adult Participants, including day-of Participants, who are required to complete SafeSport training, have completed this training within the previous 12 months.
