NGB/PSO NAME:

USA Badminton

ADMINISTRATIVE AUDIT SITE:

Virtual

ADMINISTRATIVE AUDIT DATE:

November 8, 2022

BACKGROUND AND AUDIT PURPOSE

The U.S. Center for SafeSport (the Center) is committed to building a sport community in which individuals can work and learn together in an atmosphere free of emotional, physical, and sexual abuse and misconduct. Federal law 36 U.S.C. §220541 authorizes the Center to develop and enforce abuse prevention policies and procedures that the U.S. Olympic & Paralympic Committee (USOPC) and its National Governing Bodies (NGBs) and Paralympic Sports Organizations (PSOs) must implement.

In accordance with that law, the Center has been granted authority to complete regular and random audits of NGBs, PSOs, and the USOPC. The Center objectively evaluates adherence and level of compliance to the requirements set forth in the SafeSport Code (the Code) and the Minor Athlete Abuse Prevention Policies (MAAPP).

AUDIT SCOPE

This 2022 audit is based on Administrative Audit Standards articulated in the Audit and Compliance Manual released by the Center on Jan. 11, 2022.

The audit covered the following areas:

- > EDUCATION AND TRAINING
- > COMMUNICATION AND REPORTING
- > QUALITY CONTROL
- > LOCAL AFFILIATED ORGANIZATIONS

AUDIT SUMMARY

Based on the audit methodology, the Center made findings as to whether standards in Appendix A were met for Education and Training, Communication and Reporting, Quality Control, and Local Affiliated Organizations (applying scoring guidelines in Appendix B).

MANAGEMENT RESPONSE

RESPONSIBLE INDIVIDUAL: N/A

PROJECTED DEADLINE: N/A

CORRECTIVE PLAN:

No Management Response required.

REQUIREMENTS:

1. Organization must implement a Quality Control System to ensure that individuals on the Organizational Exclusion List are unable to participate in any event, program, activity, or competition authorized by, organized by, or under the auspices of the Organization. The Quality Control System also must ensure that individuals who are required to be but are not SafeSport Trained are either prevented from participating or are in a role that does not include regular contact or authority over amateur athletes who are minors.
2. Quality Control System must include the Organization’s written implementation protocol—clear action steps to effectuate policies—pertaining to all participant registration and onsite check-in. This written protocol must include and address the following:
 - a. One-day/short-term memberships
 - b. Day-of participant registration (of athletes, volunteers, coaches, officials, etc.)
 - c. On-site registration/participation (of athletes, volunteers, coaches, officials, etc.)
 - d. Last-minute substitutions (of personnel such as referees, volunteers, etc.)
 - e. Oversight procedures by the Organization when their staff is not on-site at sanctioned events

SCORE:

Implemented

RATIONALE:

Requirement No. 1 is satisfied. USA Badminton (USAB) implements a Quality Control System (QCS) for all sanctioned events to ensure that (a) individuals on the Organizational Exclusion list (OEL) and (b) individuals required to be but are not SafeSport trained are prevented from participating in the event.

Requirement No. 2a is not applicable. USAB does not provide one-day/short-term memberships.

Requirement No. 2b is not applicable. Outside of pre-event registration, USAB allows for day-of registration/participation only for last-minute substitutions (see Requirement No. 2d).

Requirement No. 2c is not applicable. Outside of pre-event registration, USAB allows for on-site registration only for last-minute substitutions (see Requirement No. 2d)

Requirement No. 2d is satisfied. USAB’s QCS policy includes procedures to ensure that last-minute substitutions are a) cross-checked against the banned/suspended list and b) prevented from participating if they haven’t completed the required SafeSport Training. If USAB is on-site, a staff member verifies that the individual has taken the required SafeSport training, has an active membership and background check, and is excluded from the OEL.

Requirement No. 2e is satisfied. For events in which USAB is not on site, all verification for SafeSport Training and exclusion from the OEL is conducted by USAB prior to the event. The procedures also require that USAB national staff email the tournament director and/or referee a copy of the updated lists (coaching pass list, Adult Participant List, and event participant list). In the event of a last-minute substitution, USAB will be on-call to verify that the individual has completed the Center’s training requirements and is not included on the OEL. Additionally, USAB requires that event directors and/or referees complete a checklist to ensure that the QCS policy is effectuated.
