ADMINISTRATIVE AUDIT DATE:

BACKGROUND AND AUDIT PURPOSE

The U.S. Center for SafeSport (the Center) is committed to building a sport community in which individuals can work and learn together in an atmosphere free of emotional, physical, and sexual abuse and misconduct. Federal law 36 U.S.C. §220541 authorizes the Center to develop and enforce abuse prevention policies and procedures that the U.S. Olympic & Paralympic Committee (USOPC) and its National Governing Bodies (NGBs) and Paralympic Sports Organizations (PSOs) must implement.

In accordance with that law, the Center has been granted authority to complete regular and random audits of NGBs, PSOs, and the USOPC. The Center objectively evaluates adherence and level of compliance to the requirements set forth in the SafeSport Code (the Code) and the Minor Athlete Abuse Prevention Policies (MAAPP).

AUDIT AREA: **QUALITY CONTROL SYSTEM**

REQUIREMENTS:

1. Organization must implement a Quality Control System to ensure that individuals on the Organizational Exclusion List are unable to participate in any event, program, activity, or competition authorized by, organized by, or under the auspices of the Organization. The Quality Control System also must ensure that individuals who are required to be but are not SafeSport Trained are either prevented from participating or are in a role that does not include regular contact or authority over amateur athletes who are minors.
2. Quality Control System must include the Organization's written implementation protocol—clear action steps to effectuate policies—pertaining to all participant registration and onsite check-in. This written protocol must include and address the following:
 - a. One-day/short-term memberships
 - b. Day-of participant registration (of athletes, volunteers, coaches, officials, etc.)
 - c. On-site registration/participation (of athletes, volunteers, coaches, officials, etc.)
 - d. Last-minute substitutions (of personnel such as referees, volunteers, etc.)
 - e. Oversight procedures by the Organization when their staff is not on-site at sanctioned events

SCORE:

Implemented

RATIONALE:

Requirement No. 1 is satisfied. National Wheelchair Basketball Association (NWBA) Quality Control System (QCS) ensures individuals on the Organizational Exclusion List (OEL) are unable to participate in all events. NWBA's QCS also ensures that individuals who are required to be but are not SafeSport trained are prevented from participating; a current NWBA membership is required in order for individuals to be able to participate in any event. Individuals cannot complete membership if they are on the OEL or are required to be SafeSport trained but have not completed training.

Requirement Nos. 2(a), (b) and (c) are not applicable. National Wheelchair Basketball Association (NWBA) does not allow, at sanctioned events, one-day/short term memberships, day-of or on-site registration or participation.

Requirement No. 2(d) is satisfied. National Wheelchair Basketball Association (NWBA) has a policy for last-minute substitutions. NWBA's policy states 'For emergency or extraordinary circumstances only, last-minute substitutions must be pre-approved by the NWBA National Office and will only be approved if all requirements of the Policies are met (i.e., paid Membership Registration, SafeSport Training completed during the current season, passed status for the Background check, etc.)'. NWBA's policy requires that all event participants have a current NWBA membership and in order to have a current membership you cannot be on the OEL. The SportsEngine system will automatically block an individual that is on the OEL from gaining or maintaining a NWBA membership. NWBA compliance manager also manually verifies individuals against the OEL.

Requirement No. 2(e) is satisfied. National Wheelchair Basketball Association (NWBA) staff is on site at all NWBA hosted/owned sanctioned events. NWBA requires that all event directors are NWBA members and are required to follow the NWBA Event Resource Guide which includes the Quality Control System. All event participants must have a current NWBA membership which ensures the requirements and policies are adhered to.
