NGB NAME:	USA Basketball
EVENT SITE:	Bermuda Run, NC
EVENT DATE:	June 7, 2024

BACKGROUND AND AUDIT PURPOSE

The U.S. Center for SafeSport (the Center) is working to build a sport community in which everyone can work and learn together in an atmosphere free of emotional, physical, and sexual abuse and misconduct. Federal law 36 U.S.C. §220541 authorizes the Center to develop and enforce abuse prevention policies and procedures that the U.S. Olympic & Paralympic Committee (USOPC) and its National Governing Bodies (NGBs) must implement.

In accordance with that law, the Center has been granted authority to annually complete regular and random audits of NGBs and the USOPC. The Center objectively evaluates adherence and level of compliance to the requirements set forth in the SafeSport Code and the Minor Athlete Abuse Prevention Policies (MAAPP).

AUDIT SCOPE

This 2024 audit is based on Event Audit Standards articulated in the U.S. Center for SafeSport Audit and Compliance Manual.

The audit covered the following areas:

- **EDUCATION AND TRAINING**

- **RESPONSE & RESOLUTION**
- **MAAPP RISK ASSESSMENT**

AUDIT METHODOLOGY

During the audit, the Center:

- Reviewed policies and procedures

 - b. Day-of participant registration/substitutions (athletes, staff, volunteers, vendors, coaches, officials etc.)
 - c. Oversight procedures by the Organization when the staff is not on site at events, programs, activities or competitions authorized by, organized by or under the auspices of the Organization

SCORE:

IMPLEMENTED

RATIONALE:

Requirement No. 1 is satisfied. USA Basketball's Quality Control System (QCS) policy includes a written protocol for event directors to follow and verify SafeSport training for all required individuals prior to the event using their membership database and manual spreadsheets. At the event, auditor observed a coach being prevented from participation due to missing compliance training. Once the coach completed the missing compliance component, they were given the credentials allowing for participation at the event.

Once event participants are registered and invited to the event or tournament, the events team is required to add the names to a spreadsheet which requires manual verification of the necessary requirements set forth by USA Basketball, which includes SafeSport training when applicable.

USA Basketball has a written protocol within their QCS ensuring that all individuals on the Organizational Exclusion List (OEL) are unable to participate in a USA Basketball event.

Requirement No. 2(a) is not applicable. USA Basketball does not have memberships and therefore does not have one-day/short-term memberships.

Requirement No. 2(b) is satisfied. The QCS policy requires that any day-of/on-site or last-minute substitutions are restricted from participating until the USA Basketball SafeSport Manager (or Administration Director) confirms SafeSport completion, when applicable, and checks the individual against the OEL. If the SafeSport Manager (or Administration Director) is not on site, the Event Director is required to call/communicate with the SafeSport Manager (or Administration Director) to notify them of any day-of participation. Once notified, the manager completes a manual check to confirm SafeSport training and ensure the individual is not included on the OEL. There was no day-of participants at this event.

Requirement No. 2(c) is not applicable. USA Basketball is on site for all their sanctioned events. However, USA Basketball does share the QCS policy with USA Basketball event staff and/or those in charge of ensuring Adult Participant categories at all sanctioned events are compliant.
