## **CONCLUSION:**

Based on the information above, NGB has satisfactorily completed all of the Corrective Actions outlined in their 2024 Event Audit Report. If any Corrective Actions have been marked as not completed, the U.S. Center for SafeSport will continue to work with the NGB until all Corrective Actions have been completed. Completion of Corrective Actions does not impact the original Audit Score for the NGB. It does, however, show proof that the NGB took action to correct any deficiencies found during the Event Audit.
