

# CORRECTIVE ACTION UPDATE FORM

<b>NGB NAME:</b>	USA Climbing
<b>DATE:</b>	February 8, 2025

## PURPOSE

This document indicates whether USA Climbing completed the Corrective Actions mandated within the U.S. Center for SafeSport's 2025 Event Audit. Included below is a summary for each Corrective Action the NGB was expected to complete:

**CORRECTIVE ACTION:** Quality Control System  
**CORRECTIVE ACTION SUMMARY:**

USA Climbing must create a written protocol that ensures regional coordinators (RC) are checking day-of volunteers against the Organizational Exclusion List at sanctioned events and that any individuals found on the USAC OEL are prevented from participating.

**DEADLINE TO COMPLETE CORRECTIVE ACTION:** July 11, 2025  
**CORRECTIVE ACTION STATUS:** Completed before the deadline

## CONCLUSION:

Based on the information above, USA Climbing has satisfactorily completed all of the Corrective Actions outlined in the 2025 Event Audit Report. If any Corrective Actions have been marked as not completed, the U.S. Center for SafeSport will continue to work with USA Climbing until all Corrective Actions have been completed. Completion of Corrective Actions does not impact the original Audit Score for USA Climbing. It does, however, show proof that USA Climbing took action to correct any deficiencies found during the audit.
