

2025 EVENT AUDIT REPORT

NGB NAME:	USA Basketball
CITY/STATE:	Colorado Springs, CO
EVENT DATE:	October 8, 2025

BACKGROUND AND AUDIT PURPOSE

The U.S. Center for SafeSport (the Center) is working to build a sport community in which everyone can work and learn together in an atmosphere free of emotional, physical, and sexual abuse and misconduct. Federal law 36 U.S.C. §220541 authorizes the Center to develop and enforce abuse prevention policies and procedures that the U.S. Olympic & Paralympic Committee (USOPC) and its National Governing Bodies (NGBs) must implement.

In accordance with that law, the Center has been granted authority to annually complete regular and random audits of NGBs and the USOPC. The Center objectively evaluates adherence and level of compliance to the requirements set forth in the SafeSport Code and the Minor Athlete Abuse Prevention Policies (MAAPP).

AUDIT SCOPE

This 2025 audit is based on Event Audit Standards articulated in the U.S. Center for SafeSport Audit and Compliance Manual.

The audit covered the following areas:

- **EDUCATION AND TRAINING**
- **COMMUNICATION AND REPORTING**
- **QUALITY CONTROL**
- **RESPONSE & RESOLUTION**
- **MAAPP RISK ASSESSMENT**

AUDIT METHODOLOGY

During the audit, the Center:

- Reviewed policies and procedures
- Evaluated processes
- Administered implementation fidelity testing
- Conducted on-site inspections
- Interviewed individuals at the event site

SCORE:

IMPLEMENTED

RATIONALE:

Requirement No. 1 is satisfied. The event started on October 9, 2025. On October 8, 2025, USAB sent an email to all event participants that included USAB's MAAPP At-A-Glance summary and information for reporting suspected sexual misconduct, emotional misconduct, physical misconduct, and violations of the MAAPP. However, the communication includes a link to USAB's incident reporting website but does not provide detailed reporting information for how to report matters, including those related to sexual misconduct, to the Center directly. This finding does not impact the score.

Requirement No. 2 is satisfied. USAB provided a written protocol that requires the USAB event director to communicate to all event participants, including day of participants, the USAB MAAPP-At-A-Glance, and reporting protocols.

Requirement No. 3 is satisfied. On August 11, 2025, June 9, 2025, June 15, 2025, and October 8, 2025, USAB sent an email to USAB Staff and Event Participants for events hosted by USAB its Center-approved 2025 MAAPP. Since USAB does not have members, they communicate the MAAPP-At-A Glance to each event participant prior to attending a USAB-sanctioned event.

Requirement No. 4 is satisfied. USAB posted its Center-approved 2025 MAAPP by the effective date of January 1, 2025.

Requirement No. 5 is satisfied. On October 8, 2025, USAB sent an email to its event participants, including Adult Participants, the Center's most recent code. Since USAB does not have members, they communicate the Code to each event participant prior to attending a USAB-sanctioned event.

Requirement No. 6 is satisfied. USA Basketball staff run all sanctioned events; therefore, on October 30, 2024, USAB sent an email to its staff communicating the Quality Control System.

CORRECTIVE ACTIONS:

1. USAB must update its communication email template to include how to report sexual misconduct and other matters directly to the U.S. Center for SafeSport. This must include the Center's different reporting avenues.
2. USAB must share the updated communication email template and instructions with USAB staff who assist in implementing the communication to event participant procedures.

MANAGEMENT RESPONSE

RESPONSIBLE INDIVIDUAL: Jill Vroom & Megan Keller

DEADLINE: March 3, 2026

CORRECTIVE PLAN:

1. USAB has updated its communication email template to include how to report sexual misconduct and other matters directly to the U.S. Center for SafeSport to include the Center's different reporting avenues. This corrective action was performed (document was submitted to the Center) at the time of this report submission.
2. USAB has shared the updated communication email template and instructions with USAB staff who assist in implementing the communication to event participant procedures. This corrective action was performed (proof was submitted to the Center) at the time of this report submission.

AUDIT AREA: QUALITY CONTROL SYSTEM

REQUIREMENTS:

1. Organization or Event Director must implement a Quality Control System to ensure that individuals on the Organizational Exclusion List (OEL) are unable to participate in any event, program, activity, or competition authorized by, organized by, or under the auspices of the Organization.
2. Organization or Event Director must implement a Quality Control System to ensure that individuals who are required to be but are not SafeSport trained are either prevented from participating or are in a role that does not include regular contact with or authority over amateur athletes who are minors.
3. The Quality Control System written policy must include the Organization's implementation protocol - clear action steps to effectuate policies - pertaining to all participant registration and onsite check-in. This written policy and protocols must include and address the following:
 - a. Day-of participant registration/substitutions (athletes, staff, volunteers, vendors, coaches, officials etc.) and short-term memberships.
 - b. Oversight procedures by the Organization when the staff is not on site at events, programs, activities or competitions authorized by, organized by or under the auspices of the Organization

SCORE:

IMPLEMENTED

RATIONALE:

Requirement No. 1 is satisfied. USAB's written Quality Control System (QCS) includes the requirement for the Safe Sport Manager to check all event participants against USAB's Organizational Exclusion List (OEL) to ensure that individuals on the OEL are unable to participate in the event. This can be done via a manual process in a tracking spreadsheet. This procedure was followed at the audited event.

Requirement No. 2 is satisfied. USAB's written QCS includes the requirement for the Safe Sport Manager to verify SafeSport training for required Adult Participants (Adult Athletes, Coaches, Medical, Event Staff, USAB Staff). This can be done via a manual process in a tracking spreadsheet. The protocol was followed at the audited event.

Requirement No. 3(a) is satisfied. USAB's QCS encompasses the requirement for day-of participation to follow the same procedures in Requirements No. 1 and 2. There was no day-of participation at the audited event. USAB does not have short-term memberships.

Requirement No. 3(b) is not applicable. USAB is on-site for all sanctioned events. However, USAB does share its QCS policy with USAB staff and/or those in charge of ensuring Adult Participant categories at all sanctioned events are compliant.

CORRECTIVE ACTIONS:

No Corrective Actions are required.

MANAGEMENT RESPONSE

RESPONSIBLE INDIVIDUAL: Not Applicable.

DEADLINE: Not Applicable.

CORRECTIVE PLAN: No Management Response is required.

AUDIT AREA: RESPONSE AND RESOLUTION

REQUIREMENTS:

1. Organization must provide its Response & Resolution policies to the Center.
2. Organization must post Center-specified Response & Resolution policy elements—and corresponding details—to its public website. These elements include:
 - a. Reporting Mechanism
 - b. Referral of Reports to the Center
 - c. Jurisdiction Notifications
 - d. Mandatory Reporting
 - e. Prohibition of Retaliation
 - f. Response & Resolution of Reported Allegations
 - g. No Interference
3. Organization must provide to the Center its policy to ensure:
 - a. requests from the Center are responded to within 72 hours
 - b. Organization has an assigned contact person responsible for replying to requests from the Center
4. Organization must provide to the Center its written policy for collecting and annually submitting to the Center, Data of Matters Addressed by the Organization, encompassing all elements listed in Appendix B Section 5.
 - a. Policy must also include Organization’s protocol to collect and submit to the Center such data from LAOs, if applicable

SCORE:

IMPLEMENTED

RATIONALE:

Requirement No. 1 is satisfied. USAB provided its Response and Resolution policies.

Requirement No. 2 (a) is satisfied. USAB's Report-an-Incident website and supporting Response & Resolution procedures do provide guidance on how to report suspected sexual misconduct, physical misconduct, emotional misconduct, or violations of the MAAPP.

However, USAB’s Report-an-Incident website suggests that reports regarding sexual misconduct can be reported to USAB rather than explicitly stating that these reports must be made directly to the U.S. Center for SafeSport. In addition, USAB’s Handbook, including its embedded Response and Resolution policies, does not explicitly and consistently state in a congruent manner that allegations related to child abuse, including sexual and physical abuse, and sexual misconduct, must be reported directly to the Center. These incongruencies may create reporting barriers and may lead to an Adult Participant not understanding their reporting obligations. This finding does not impact the score.

Requirement No. 2 (b-c & e g) is satisfied. USAB has posted to its public website the Center-specific Response and Resolution policies, and the policies address all the corresponding elements listed in Appendix B Section 2.

Requirement No. 3 (a-b) is satisfied. USAB provided its written policy stating that the Safe Sport Manager or the Administration Director will respond to requests from the Center within 48 hours. The 48-hour time frame is more stringent than the Center's 72-hour response requirement.

Requirement No. 2 (d) is satisfied. USAB's Response and Resolution policies state compliance with applicable State and Federal mandatory reporting laws related to child abuse is required but does not explicitly state that members must also comply with the SafeSport Code as to when to report child abuse and sexual misconduct. These findings do not impact the score.

Requirement No. 4 is satisfied. USAB provided its written policy for collecting Data of Matters Addressed by USAB, and it encompassed all elements listed in Appendix B Section 5.

Requirement No. 4(a) is not applicable as USAB has certified with the Center that the Organization does not have LAOs.

CORRECTIVE ACTIONS:

1. USAB must update its reporting mechanism website to accurately convey the proper reporting protocol to the Center for concerns related to sexual misconduct and child abuse, including sexual and physical abuse.
2. USAB must update its USA Basketball Handbook, and its embedded Response and Resolution policies, to consistently and accurately convey the proper reporting protocols to the Center for concerns related to sexual misconduct and child abuse, including sexual and physical abuse.
3. USAB must update its USA Basketball Handbook, including its embedded Response and Resolution policies, to require compliance with applicable Federal law, State law, and the U.S. Center for SafeSport Code related to the mandatory reporting of child abuse and sexual misconduct.
