Based on the information above, the NGB has either completed or is in progress of remediating the Corrective Actions outlined in their 2025 Event Audit Report. If any Corrective Actions are either still in progress or are past due, the U.S. Center for SafeSport will continue to work with the NGB until all Corrective Actions have been completed. Completion of Corrective Actions does not impact the original Audit Score for the NGB. It does, however, show proof that the NGB took action to correct any deficiencies found during the audit.
